Country Cove Model Grand Opening Coming Soon!

Country Cove, an enclave of 126 single-family estate sized homes priced from the 600's, is being built and developed by Shelby Homes, a Ft. Lauderdale based home builder.

Every home site is private offering scenic views of the neighborhood lakes and preserves as well as views of the adjacent golf course.

Located in Lake Worth off Lantana Road between Jog Road and State Road 7 (US 441), Country Cove contains five uniquely styled homes with air-conditioned spaces from 2744 square feet to over 4500 square feet.

To compliment the proposed park and golf course across the street, Country Cove will offer a tennis court and walking paths to create a sense of community.

"We're very excited about the progress of Country Cove and are eagerly awaiting the model Grand Opening slated for the end of March", says David Colegrove, V.P. of Sales and Marketing for Shelby Homes.

To receive information regarding this community, please call 954-318-1000 ext. 113 or visit our website at www.Shelby-Homes.com. To view the decorated models, take the Turnpike to the Lake Worth Road exit and proceed west to State Road 7 (US 441) and head south to the first right at 50th street and head to the entrance of Countryside Estates on the left.
